

D-50P Electric Paper Drill

SINGLE HOLE / POWERFUL TYPE

- Equipped with safety guard for operation
- Programmed bar for drilling options
- Simple moving table for drilling
- Equipped with side gauge
- Available drill bits are from 3mm to 10mm
- Professional design for avoiding waste paper jamming
- Heavy-duty motor
- Adjustable drilling margin
- Special hole on demand
- Auto paper centering

Technical Data

Model	Drill Capacity	Max. Paper Width	Drill Margin	Dimension(HxWxD)	Weight
D-50P	50mm/1.97"	350mm/13.78"	28mm/1.1"	520x500x790mm	26kg

D-50P
(Single head)

D-50A Automatic Drill

ONE HOLE AT ONCE / AUTOMATIC

- Automatic drilling
- Programmed bar for drilling option
- Safety guard for safe operation
- Equipped with auto paper centering side gauge
- Adjustable drilling margin from 4mm - 25mm
- One touch operation
- Drill bit: 3mm - 8mm
- Simple moving table for drilling

Technical Data

Model	Drill Capacity	Max. Paper Width	Drill Margin	Dimension(HxWxD)	Weight
D-50A	50mm/1.97"	350mm/13.78"	25mm/1"	480x530x480mm	36kg
